

Here, with God's Great Love Surprising – (to the tune 'Ar Hyd Y Nos')

Here, with God's great love surprising,
Jesus is Lord!
in his dying, in his rising,
Jesus is Lord!
Ever by his call inviting,
ever in his church uniting,
Kingdom lives of light igniting,
Jesus is Lord!

With the broken ever feeling,
Jesus is Lord!
For the fractured ever healing,
Jesus is Lord!
Now the night gives way to morning,
sunrise heralds God's new dawning,
evil has its final warning!
Jesus is Lord!

Over all the false attractions,
Jesus is Lord!
constant, through the world's distractions,
Jesus is Lord!
Through the trials, through the testing,
faithful, in my heart now resting,
in my life this truth attesting,
Jesus is Lord!
