

**Speak, Now, O Word** (Tune: Christe Sanctorum)

Speak, now, O Word of truth, grace of God revealing;  
love everlasting, bless'd assurance sealing.  
Speak, now, Lord Jesus Christ, pain and hurt repealing;  
light of the world made known.

Speak, now, O Word of hope, life, in our life sharing;  
logos incarnate, peace to the despairing.  
Speak, now, Lord Jesus Christ, faithfulness declaring;  
light of the world made known.

Speak, now, O Word of joy, heart of hearts compelling;  
fruit of the Spirit, in the Body dwelling.  
Speak, now, Lord Jesus Christ, God's own story telling;  
light of the world made known.

Now may we hear the Word, powerful and freeing;  
voice of the voiceless, fear, from mercy, fleeing.  
Speak, now, Lord Jesus Christ, speak us into being;  
light of the world made known.
